### Coming Together

Unravel a multi-sensorial augmented journey of Coming Together as you unfold the exquisitely-designed boxes that come with every mooncake purchase. Behold a mesmerising visual spectacle as the box comes to life with gentle dancing flora and peppy frolicking of children illustrating the coming together of families under a brightly lit moon in this Tech + Art showcase.

The culmination of a special collaboration between Sheraton Towers Singapore and the artists from the Business Times Budding Artists Fund (BT BAF), watch as the fine drawings of the young talents interact with the rich graphics on the box to deliver an awe-inspiring experience in celebration of this heartwarming Mid-Autumn season.

The BT BAF empowers children and youths through access and opportunities in the arts, helping young beneficiaries build their values, character and self-esteem to overcome their challenging personal circumstances.
