Commercial Bank

The Business Times Budding Artists Fund (BT BAF) will celebrate its 13th anniversary in 2018. Since its inception in 2005, BT BAF has enabled children and youths to experience the arts as part of their development and growth regardless of personal circumstances. Through BT BAF, many have experienced the transformative power of the arts.

Annually, more than 500 beneficiaries are enrolled at The Little Arts Academy and 10 Square @ Orchard Central. These arts training centres, supported by BT BAF, have enabled more than 7000 young people from financially disadvantaged families to discover and develop their talents in Music, Dance, Theatre and the Visual Arts to date.

Citi Singapore is one of BT BAF's earliest supporters. The Citi-BT BAF partnership has created countless opportunities for our beneficiaries to discover and showcase their talents. Through the years, Citi has demonstrated its steadfast commitment to BT BAF's cause and continues to be one of the strongest supporters of the Fund.

This 2018 Citi-BT BAF Calendar, which depicts 'Pathways to Progress', is one of the many gestures of support that Citi has shown towards the artistic ambitions of our young talents. We received more than 40 artworks submitted by children and youths between the ages of 8 and 19 for this initiative. We have selected 12 from the amazing pool of artworks for inclusion in this 2018 Citi Calendar. These beautiful and creative illustrations in the calendar represent each young artist's career aspirations.

I hope all our young artists will go on to fulfill their dreams and be an inspiration to others. We are truly grateful to have Citi Singapore on this journey of children and youth outreach through BT BAF, and we look forward to another year of partnership with Citi Singapore!

Alvin Tay
Chairman
The Business Times Budding Artists Fund

For the third consecutive year, Citi Commercial Bank (CCB) is pleased to collaborate with The Business Times Budding Artists Fund (BT BAF) to provide an opportunity for children and youths to showcase their artistic talents. By featuring their artwork in this calendar, we seek to serve as an enabler and encourage them on their journey as visual artists in the pursuit of their craft and passion.

The theme of the project this year is “Pathways to Progress”, an initiative by Citi and Citi Foundation to help youths improve their career-readiness through first jobs, internships, and leadership and entrepreneurship training. Early this year, Citi announced its largest global philanthropic commitment with a pledge of \$100 million and 10,000 Citi employees to serve as coaches, mentors or role models to connect 500,000 young people from around the world to training and jobs over the next three years. In an extension of the initiative to enhance the skillsets of young people in Singapore, Citi volunteers also conducted public speaking and presentation workshops with BT BAF’s visual artists to enhance their communication skills and confidence.

As part of our collaboration with BT BAF, we asked the young artists to translate their dream careers into creative visuals. We are happy to feature the best of their artwork in this calendar.

I hope you will appreciate their illustrations as much as we did. We are honoured to serve as your trusted banking partner, and we look forward to being of service to you in 2018 and beyond.

Chance of Idea

I enjoy dancing but I would also like to learn how to draw. My parents disagree that I pursue both. I would still like to believe that I will dance again.

Rock Climbing

I enjoy rock climbing. There are many challenging obstacles and crazy stunts that I must do to overcome them. It is all about the focus. This is relevant to me because I want to focus in being a student, for now.

Repeated Practice

Progress to me means always trying to further improve yourself. The only way I believe one can do that is through repeated practice and through trial and error.

Progression

Flowers symbolize growth and blooming flowers give vibrancy and excitement to the path of progress. This is represented by the progression from childlike drawing to detailed drawing here. The stacking of frames shows that progress is the sum of efforts built upon one another between stages of growth over time.

A Journey

This is an artwork inspired by Moses parting the red sea. It is a story of how every man has his own set of challenges to overcome. The sea represents the challenges he faces and the blurry sky represents the unknown path ahead in the face of progress.

The Business Times Budding Artists Fund

Supporting Young Ambitions

Initiated in 2004 and adopted by The Business Times in 2005, The Business Times Budding Artists Fund (BT BAF) originated from a conviction that no child with the strong interest and potential in the arts should be denied the opportunity to develop his or her talents due to a lack of financial resources. Since 2005, BT BAF has reached out to more than 15,000 financially-disadvantaged children and youth, between the ages of six to 19 years old, through a variety of programmes including a structured arts training programme, arts camps, workshops and signature events. BT BAF supports training centres, The Little Arts Academy and 10 Square @ Orchard Central, and is managed by The RICE Company Limited.
